

*The catalyst in developing creative, open-minded young
Western Australians who are engaged with the world*

Media Release

12 January 2009

Superb sounds and AWESOME moves!

The young people of Perth will have the opportunity to explore unique and fun ways of interacting with sounds and movement with *Make Your Move*, an amazing original dance workshop offered as part of the AWESOME Arts January School Holiday Program.

Having toured through ten regional communities in Western Australia in 2007, this fun and inspiring workshop encourages young people to discover their artistic talents by creating their own sounds, music and choreographed dance sequences.

The *Make Your Move* program celebrates the artistic potential and talent of young West Australians and affirms the importance of positive life decision-making. Young participants can experiment with the different dance styles of hip-hop, street and contemporary dance under the direction of some of the state's leading sound and dance artists.

AWESOME Arts is a not-for-profit arts organisation for young people. AWESOME seeks to inspire and develop creativity among young people through various Community Development Programs and the annual **AWESOME International Arts Festival for Bright Young Things** run each year in November.

The *Make Your Move* workshops are proudly supported by EPRA. Since 1991, EPRA has been responsible for the revitalisation of over 300 hectares of inner city land in Perth. Its vision -'Vital Perth' is based on delivering positive social, economic and environmental outcomes for the community.
