

*The catalyst in developing creative, open-minded young
Western Australians who are engaged with the world*

Skippers supports Goldfields Communities through AWESOME partnership!

In 2008, Skippers Aviation's partnership with AWESOME Arts saw young people in regional WA create wondrous works of art entirely out of food!

For the third year running, Skippers has supported AWESOME's regional program 'Creative Challenge' by flying AWESOME artists and their equipment to Goldfields communities.

Skippers' support allowed AWESOME Arts to send five artists to Wiluna and Leonora.

The 2008 food art project 'FEAST' encourages young people to see food as an artistic material and was very well received in the Goldfields communities.

LEONORA

The 2008 AWESOME Arts Creative Challenge offers me, as an artist, the fabulous opportunity to work with some of the most inspiring people in the country – the youth of regional Western Australia." Fiona Gavino, Artist, AWESOME Arts.

WILUNA

"We always get a great response from the young people in Wiluna. I never cease to be amazed at the talent we find every time we visit." – Jenny Simpson, General Manager, AWESOME Arts.

Each residency culminated in a community celebration in which the young people showed off the fruits (and various other foods) of their labour.

The culinary creations of these communities will be showcased in an exhibition at the **AWESOME International Arts Festival for Bright Young Things** in the Perth CBD from 16 – 23 November.
